

2 Study Fig. 4 (Insert 2), which shows the Millennium Development Goals.

(a) The Millennium Development Goals, to be achieved by 2015, were contained in the Millennium Declaration of September 2000. They represent the world's main development challenges.

What is meant by each of the following goals?

(i) Reduce child mortality.

.....  
..... [2]

(ii) Ensure environmental sustainability.

.....  
..... [2]

(iii) Promote gender equality and empower women.

.....  
..... [2]

(b) Study Fig. 5 (Insert 2), which shows the percentage of children completing primary education in different parts of the world.

Millennium Development Goal 2 is to 'achieve universal primary education'. If this is achieved all children should complete their primary education by 2015.

What conclusions can be drawn from Fig. 5 about Goal 2 being achieved in different parts of the world?

.....  
.....  
.....  
.....  
.....  
..... [3]
