Subject: Submission to BBC charter inquiry

To: cmscom@parliament.uk

Dear Ms Flood,

I believe my submission (see appended note) is relevant to the inquiry above.

It contains **evidence relevant to assessing the BBC's performance.**

Please ensure that it is published and considered.

I am able to answer questions as to content or relevance.

Thank you.

Yours sincerely,

Matt Berkley

Notes [4 November 2015] on call to Culture Media and Sport Committee

2.18pm

2mins 29 second call.

A lady answered I stated that I had sent evidence in September for the BBC charter inquiry but that it had not appeared on the website.

She inquired and then said that the submission had been received, but **it had not been published** for some reason. She said that the Clerk, Elizabeth Flood, would call me back when she came out of her meeting.
