What?

The theme of the 2018 session of ECOSOC is From global to local: supporting sustainable and resilient societies in urban and rural communities. Held on an annual basis, the High-level Segment represents the culmination of ECOSOC's annual cycle of work and convenes a diverse group of high-level representatives from Government, the private sector, civil society and academia for policy dialogue, review and recommendations on the 2030 Agenda for Sustainable Development and [other internationally agreed development goals](#).

When?

The 2018 High-level Segment of ECOSOC will be held 16-19 July 2018, at UN Headquarters in New York. As in previous years, the 2018 High-level Segment of ECOSOC will also include the ministerial meeting of the [high-level political forum on sustainable development](#), convened under the auspices of ECOSOC from 16-18 July 2017.
