

Take action.

STEP 1: Sign the pledge to join #TeachSDGs.

SIGN THE PLEDGE

STEP 2: Be an advocate for #TeachSDGs.

- Tweet "I just joined the movement to bring @TheGlobalGoals to education! Learn about #TeachSDGs at www.teachSDGs.org or @TeachSDGs on Twitter!"
- Read this comprehensive "How To" blogpost from #TeachSDGs co-founder Jennifer Williams.
- Add the #TeachSDGs logo to your social media accounts or email signatures. Use it often to share your ideas and the work of your students/colleagues.
- Try to convince three of your colleagues to take the pledge.
- Download the free *SDGs in Action* app from the App Store:

STEP 3: Join a project, create a project, be part of an event.

PROJECTS

EVENTS

Thank you. Whether you have served the #TeachSDGs movement by simply following our Twitter account or by actively and regularly supporting the mission to get the Global Goals into every classroom on earth, your presence and passion are appreciated. Thank you.

During summer of 2017, members of the all-volunteer Global Goals Educator Task Force presented our first semi-annual report to the president of the UN General Assembly, as well as participated in a panel at the High Level SDGs for Action in Education event sponsored by the UN PGA. Our alliance with the UN and organizations like @TheWorldsLesson have allowed for many opportunities to spread our TeachSDGs mission since we launched in January 2017. This would not have been possible without you. In order to fulfill our mission, it will

Inspiring and empowering children all over the world through the Global Goals is paramount.

Task Menu

1. Take the #TeachSDGs pledge above.
2. Increase your engagement with our tweets by turning on notifications.
3. Share this short, superb Global Goals course for educators – and/or seek the certification yourself!
4. Consider applying for one of our ambassador positions. To apply for Cohort #3, please check back here in October 2018.
5. Propose ideas and share successes of your own by tweeting with the #TeachSDGs hashtag.

Please consider taking further action and seeking out new opportunities to incorporate the Global Goals in your classroom.
